

AUSTRALIAN & NEW ZEALAND
SPINAL CORD SOCIETY 2007 ASM

WORKPLACE PARTICIPATION FORUM & PUBLIC LECTURE

REGISTRATION FORM for people with spinal cord injuries

Date: Thursday, 1 November 2007
Time: 1545 – 1830 hours
Venue: Four Seasons Hotel Sydney, 199 George Street, Sydney, NSW
Cost: Free (for people who have a spinal cord injury and their carers - a registration form is required for each attendee)

On behalf of the Australian and New Zealand Spinal Cord Society (ANZSCoS) Annual Scientific Meeting Organising Committee, we are delighted to invite you to attend two sessions of Society's 2007 Annual Scientific Meeting.

Session 1: 1545 – 1730 hours - Workplace Participation Forum

Facilitated by Mr Dougie Herd, Director Disability Council of NSW, Professor Greg Murphy, Latrobe University and Mr Mark Bagshaw, Disability Consultant.

The workplace forum has four components:

1. What is known from the literature about participation in the workforce post catastrophic injury
2. The consumer's perspective of workplace participation, explored through individual consumer's stories
3. The perspective of the employer, a facilitated discussion
4. Opportunities for integration of workplace participation strategies into rehabilitation programs

Session 2: 1730 – 1830 hours - 'Spinal Cord Injury – Immediate Care and Long-Term Hopes' - A Public Lecture by Professor Peter Wing

Professor Wing's lecture will focus on best practice in spinal cord injury care, particularly immediately post injury and explore emerging treatment options and opportunities to improve health service systems and client outcomes.

Sincerely

Stella Engel

Chair, Organising Committee, ANZSCoS 2007 ASM and President, ANZSCoS 2005 - 2007
